

## Worrying about a Damaged thread?

We have the solution for you!

**Recoil** thread insert systems

**Recoil** products are widely used by manufacturers in a variety of markets including:

- Automotive
- Aerospace
- Defence
- Manufacturing equipment
- Shipbuilding
- And much more!

Wherever you encounter a damaged thread, **Recoil** provides:

- The quickest and simplest method of thread repair
- A quality thread with superior holding power
- A new thread in the original size
- A thread generally stronger than the original
- Individual and multiple selection of kits, including Spark plug kit that contains unique taps that requires no drilling
- A huge range of insert sizes including: METRIC (Coarse & Fine), UNC, UNF, BSC, BSW, BSP, BSF, BA, and NPT.

**Top quality products with very competitive prices**
